

## MOSMAN LITTLE ATHLETICS VOLUNTEER DECLARATION FORM FOR VOLUNTEER PARENTS

The operation of our Club depends on volunteers. The Club has applied a reduced registration fee to your athlete in exchange for your agreement to volunteer at the Club throughout the season. As part of these obligations, parents/guardians will be required to assist in the running of training and competition nights. It is a requirement of the registration process that parents sign up (four sessions per child) before the season begins. If you have not completed registration your child/ren will not be allowed to train.

This system has been introduced to spread the load and as such, a volunteer parent is required to volunteer not less than **four times per child** throughout the season.

Failing to meet the volunteer requirements will cost \$25.00 per session.
