

Tips for Existing Members Re-Registering Online

If you are **re-registering** either as an individual or as a family you need to sign in using your **username** and **password** that you receive in an email from LANSW once registration opens online.

OR each member's ID and Password can also be obtained throughout the year via www.lansw.com.au by clicking on the Registration Icon, then on "Username and Password" located on top bar and if you submit your email address your details will be sent to you via that email address.

Each athlete has a unique ID and Password whether re-registering as an individual or as part of a family registration.

Note: When logging in with your ID and Password, the system will only receive it if it is "**copied and pasted**" from your email sent from LANSW. It will not receive the information when manually typed in.

Family Re-registration

1. Click on the Login button and enter first member's unique ID and password (**copied and pasted** from your LANSW email) or obtain by clicking on "Username and Password" located on top bar to obtain via email.
2. Follow steps 4 to 6 above under "Guidelines for Online Registration".
3. The next page has the first member listed (with completed details) and then under second member you hit "enter details" which takes you to the next page to "Login" your second child/member using their ID and Password copied and pasted from your LANSW email.
4. The system then picks up all the personal particulars of your second child so you needn't complete all of this again.

Registration inquiries can be directed to mosmanlaregistrar@gmail.com or call Mosman Registrar on 0412 062 669.
