

Mosman Club Records - Individual

PLEASE NOTE: Manually recorded times for all sprints and sprint hurdles records that were set before 2000 have been standardised in accordance with LAA & NSW Athletics approved protocol. For distances under 400m, 0.24s has been added to hand held times. For the 400m, 0.14s has been added to the hand held time. For distances greater than 400m, there is no change. All standardised times are indicated with an [s].

Where the event specifications are changed for an age group by NSW Athletics eg distance, hurdle height or implement weight, a new record is established and the previous record is retired.

As at April 2026
